At Zanzi Trekking, we attach great importance to price transparency. That is why, we would like to offer you detailed prices and information about our different services.

Based on the performance / value of these services, we could classify our packages in 3 categories: **Budget, Comfort and Luxury** (details, see last table in this document). You could, thus, depending on your budget and your wishes choose one of these categories.

But - don't worry! We ensure you and independent of the category you will choose that we will make together this experience a once-in-a-lifetime adventure.

Notes:

- All prices in the following lists are in USD (\$) and don't include the staff tips (on a voluntary basis).
- The safari plan described here includes 4 different and various parks: *Tarangire, Manyara, Ngorongoro* and *Serengeti* Parks:
 - **2 day trips:**
 - Our clients have 2 options here:
 - Option 1: Ngorongoro/Crater and Manyara or Tarangire
 - Option 2: Manyara and Tarangire (cheaper prices)
 - **3 day trips:** only 3 parks can be visited due to the limited time (*Tarangire, Manyara and Ngorongoro including Crater*)
 - **For 4 days and more:** you can enjoy all 4 parks including the *Serengeti* park.
 - **Note:** We also offer short Safari trips for 1 and 2 days. Please take a look in our price offers for short trips if you are interested.
- Of course, we can also make a personalized plan for you in case you have more/other wishes (more days spent in a park, more/less parks, 1 day trips, etc.).
- Seasons:
 - High Season:
 - From June to October
 - From December to March
 - Low Season:
 - April, May and November
